KCN Vietnam was established to meet the increasing demand for premium industrial properties for lease. As a local developer, KCN Vietnam aims to provide professionally designed, built and managed developments for the industrial sector, thereby contributing to the country's attractiveness for FDI.

With its strong connection with local authorities both at central and provincial levels, KCN Vietnam's experienced management team is able to accompany foreign investors in their investment administrative process in Vietnam.

Our long-term vision is to capitalize on the growth of the supply chain sector in Vietnam and thrive to meet increasing market demands.

Let KCN Vietnam be your Local to Global Connector.
